United States District Court

**RE: Liantonio v. Lavintman  
11 CV 1292 (SJF)**

Dear Judge Feuerstein:

I represent the plaintiff in the above referenced matter. In the Court's initial briefing schedule, the Court ordered that plaintiff's reply brief concerning the cross-motion be due on September 9, 2011. Being that we extended the schedule by a week, plaintiff's reply is due today. Since I was on a brief vacation from Monday to Wednesday, I respectfully request an extension until September 23, 2011 to file the reply brief.

Thank you for the Court's consideration of the foregoing.

Yours faithfully,

/s/

Adam J. Fishbein
